

## TWN Community Development COVID-19 Nutrition Supports

In response to COVID-19, we are providing Superstore Gift Cards to Band Members on a household basis. By providing support by household, we aim to support the whole community. Cards are to be picked up at the Community Development Admin Trailer (3075 Takaya Drive). March cards have now been distributed. The next distribution will be April 8, 2020 and we will continue to assess community needs. Amounts are as follows:

Household Size	Amount
Single Person	\$50
Small family (2-3 people)	\$100
Large Family (4+ people)	\$200

Please stay tuned as we are doing our best in this time of need and there will be more news to come
