This permit is granted in accordance with the Tsleil-Waututh Nation’s Building Bylaw 2001 and the BC Building Code 2018. The granting of this permit indicates the receipt of documentation and appropriate fees in support of the submission.

It should be expressly understood that the Nation and its Agent acting for the Authority Having Jurisdiction, **Technical Safety BC**, have relied on the assurances of the Certified Professional and the registered Professionals in issuing this permit and are not liable, directly or vicariously, for any damage, loss or expense caused or contributed to by any error, omission or other neglect in relation to receipt of the documentation submitted.

The Tsleil-Waututh Nation and its Agent assume no responsibility for the adequacy of the design and/or construction neither of any building or structure, nor for the opening of roads and lanes or providing water or any other service for or in connection with the property concerned.

The issuance of permit, the review of plans and supporting documents, or field reviews by the Authority Having Jurisdiction or a Registered Professional retained by the Authority Having Jurisdiction do not certify that the development complies with the BC Building Code 2018 or other applicable enactments and do not in any way relieve the owner, or his agent, from the responsibility of carrying out construction in substantial compliance with the requirements of the BC Building Code 2018 and/or the Nation’s Building Bylaw 2001.

TWN Conditions of Permits:

Agreement: I hereby agree to comply with the provisions of the current BC Electrical code and relevant Regulations and bylaws of the Tsleil-Waututh Nation, as well as any conditions of this permit.
